

# Welcome to Linköping

Linköping have 160 000 inhabitants and is located on the stunning Östgöta Plains in the province of Östergötland. Linköping is the capital of the province and has an old history but in modern times is the city referred to as Sweden's aviation capital. Linköping has a lot to offer all year round. The Air Force Museum, the open-air museum of Old Linköping, the Linköping Cathedral and the Berg locks are just few examples of all the sights of our fair city.

## Sites of interest

**1 Berg Locks/The Göta Canal**  
Berg Locks are the Göta Canal's and Linköpings major sight and attract thousands of spectators every year. The area contains among others spectacular locks, restaurants, cafés, cycle rental and canal cruises.

**3 Stora Torget Square**  
Meet up at the largest square in Linköping. In the summer the city is crammed with outdoor restaurants and cafés. Stora Torget Square is easy to reach by walking if your hotel is located to Linköping city center.  
[www.visitlinkoping.se](http://www.visitlinkoping.se)

**4 Linköpings domkyrka (Linköping Cathedral)**  
Linköpings cathedral is Sweden's best preserved medieval cathedral and also the most famous landmark of the city. Right next to the cathedral is also Linköping Castle and the city hall located. Linköping Cathedral is easy to reach by walking if your hotel is located to Linköping city center.  
[www.linkopingsdomkyrka.se](http://www.linkopingsdomkyrka.se)

**5 Flygvapenmuseum (Air Force Museum)**  
The Swedish Air Force Museum in Linköping reflects the development of the Swedish military aviation from the early pioneers to the present day. Here you'll find 60 different aircrafts and also the wreck of a DC-3 aircraft that was shot down in the 1950s by the Soviet Union. [www.flygvapenmuseum.se](http://www.flygvapenmuseum.se)

**Shopping**  
Shop Swedish quality products in Linköping city center or at Ikano shopping mall. Ikano shopping mall is easy to reach by bus or bike.
